

Parents, Teachers & Friends Association

Can you help?

The P.T.F.A meets half-termly. It organises a wide variety of fund raising and fun activities that help the work of the College.

The Secretary of the P.T.F.A. is Anne Storer, who can be contacted on 01429 881775 and the Teacher responsible is John Tomlinson, who can be contacted through the main school office on 01740 625300.

If you feel that you can help us then please contact Anne who will be able to assist you further.

Promoting
achievement and
success for all.

EXCELLENCE IN LEARNING AND TEACHING

SEDFIELD COMMUNITY COLLEGE

Parents Newsletter May 2008

Dear Parent / Carer,

Welcome to the May 2008 issue of the Headteachers Newsletter. Thank you for your excellent feedback on the last newsletter, your views have helped 'shape' the College.

Newspaper: I am sure you will have seen the excellent newspaper that the children of our school, along with our feeder schools, produced. This should have been delivered to you with the 'free newspaper'.

Awards: I am also very pleased to report that we have been awarded two very prestigious titles. The Most Improved Sports College in the U.K. and The Most Improved School in the North East. This is an excellent achievement and we are proud of it.

We do strive to do even better and hope that you can help us either by feeding back to us on things you would find helpful or perhaps by joining the Governing Body.

Vacancies for Parent Governor: We have two vacancies for Parent Governors. All parents and persons who have parental responsibility are entitled to stand for election. Parents who are employed at the school for more than 500 hours per year are not entitled to stand for election.

If you are interested in becoming a Sedgefield Community College Governor, please contact Lynne Ackland, Headteacher, for a nomination form or for further information.

Owing to regulations, enquiries and nomination forms need to be within seven days of this letter.

Lunchtime Arrangements: I have considered all of the comments about lunchtimes and our arrangements for students. Following lots of discussions, I have come to the conclusion that the following arrangements will apply from after the May half term (except for year 11 students during examinations)

- No students at all will be able to leave the premises at lunchtime unless they go home for lunch. Those students who go home for lunch will need to collect a new pass via an application form which can be collected from the main office. This is not negotiable.

I would like to remind parents and students that catering facilities available in school are:

- o Pasta
- o Noodles
- o Sandwiches and Snacks
- o Main Meals

There is an ordering service for all of these which Sue Tomkins, Catering Manager, will ensure everyone knows about. This will reduce the need for any queues.

I hope that you will continue to support the College and our quests for further improve.
